ENLISTED ASSOCIATION
NATIONAL GUARD OF ARIZONA
AUXILIARY

Side by Side, We Stand With Pride

EANGUS is the only association that exists solely to work for enlisted members of the National Guard, and the EANGUS Auxiliary supports them! The EANGUS and EANGA Auxiliary support the association in attaining their legislative goals and provide fellowship among National Guard families. The Auxiliary also addresses family issues and provides scholarships for spouses and dependents. Memberships are available to family members and friends of National Guard enlisted members.

WHY MEMBERSHIP IN THE AUXILIARY MATTERS

The benefits you use (Tricare Reserve Select, GI Bill, Commissary, Retirement) were fought for by members of EANGUS and the EANGUS Auxiliary and it's the associations that continue to fight to expand and protect those benefits.

Numbers matter to elected officials on Capitol Hill and at the State Legislature. More members = **a stronger** voice for the National Guard.

Membership comes with **the advocacy, benefits,** scholarships and resources provided by the EANGUS & EANGA Auxiliary.
